Mr. Edgar Law

He gave us his best--
on the field and
in the classroom.
He demanded that we give our best--
and in doing so he has shown us
the way to a successful life.

We, the Class of 1966,
proudly dedicate this book to him.

After sixteen years of service in the Wilbraham school system, Mr. Irving Agard left to assume the position of Superintendent of Schools in Holden. He can feel pride in the work he has accomplished here. We can feel only regret at his leaving.

Hopefully a study

ACADEMICS

MR. IRVING AGARD

To
the
Class
of
1966

MR. KENNETH JOHNSON

Your record as a class and as individuals in the four years at Minnechaug justifies the confidence your parents, your school, and your community have placed in you. You have been challenged by difficult and trying situations, and have responded with courage and honesty. We are proud of your academic achievements and your athletic successes, but will remember you most as delightfully exciting and stimulating young adults.

Principal

Graduation from high school is a significant stepping-stone along life's pathway. However, it is generally accepted today that the formal education so acquired is merely a foundation for the vast store of selective knowledge to be accumulated in life. Let your choices be dictated by a sensitive conscience, and implemented by a courageous conviction. Best wishes to the class of 1966.

To the class of '66:

Having taught many of you waaay back in first grade, I have mixed emotions at this time of your leaving. I am proud of your successful completion of your studies at Minnechaug. I am also a bit sad that you are departing. You have been a fine class, a class that has done much to enhance the reputation of Minnechaug. But--I am confident that you will make a useful contribution to our troubled world. Just maintain your spirit of teamwork and that enthusiasm which has marked your activities here at school. Keep caring and have empathy in whatever challenge you seek.

Best wishes for happy and useful lives.

In Memoriam

Georgianna May Levakis

From Abroad

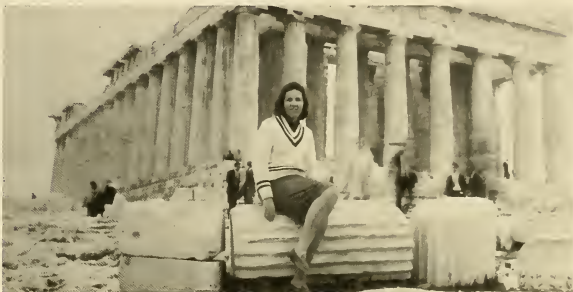

Oliva Dominguez, Minnechaug's first A. F. S. student, traveled a long way from her home in Bogota, Colombia. Those of us who have shared many experiences with Oliva are thankful for the chance of knowing such a delightful person. May the years to come bring many more like her.

ACROPOLIS
Athens, Greece

Andie spent the first 6 months of her senior year in Greece. There she worked on the yearbook EVZONE, and the newspaper SOPHIST, and took part in a senior drama group. She recalls that an interesting part of the school was a man walking around the corridors and ringing a cow-bell when classes were to change. "Now I jump every time I hear a bell!"

And the best is yet to come!

Eric joined the senior class this fall. He was born in Iran and lived there for fourteen years. After that, he lived in Italy, until he came to the United States.

Underclassmen

Left to Right: Ed Moran, Pres. ; Doug Stephens, V. Pres. ; Nancy Baker, Sec. ; Bob Horacek, Treas.

Juniors

The Junior Class is lively and co-operative. The juniors have added much to Minnechaug during their three years here.

This year they placed many members of their class on varsity sport teams. The Junior Class also won the One-Act-Play Contest, and one of their players was chosen Best Actress.

They held a very successful winter dance this year. Their ideas for raising money are both unique and fun.

This spring the juniors received their rings and closed a very successful year with their Junior Prom. Minnechaug is proud to have such a class to uphold her name.

Sophomores

Left to right: Ken Twining, Pres.; Tom Short, Vice-Pres.; Sandy Ciecko, Sec.

The sophomores are enthusiastic and hard-working. Their enthusiasm prompted them to take part in all of Minnechaug's activities; their hard work brought them success. The class of 1968 held a really great Christmas dance this year and added money to their treasury by having a magazine drive. Scholastically and athletically they helped win honors for Minnechaug.

Freshmen

Left to Right: C. Collitti, Pres. ; Debbie O'Day, V. Pres. ; Denise O'Day, Sec. ; N. Polys, Treas.

The Freshman Class entered Minnechaug in a year when our enrollment had expanded to such a number that we did not even fit in the Auditorium. But the freshmen did not let the number of upperclassmen overwhelm them. They participated in all phases of Minnechaug life, adding enthusiasms and honors. Both boys and girls made fine contributions to our sport teams. They were a strong voice in Student Council and helped on many of the committees. The hard work which produced a very successful Halloween Dance is characteristic of this class.

Due to many injuries, this year's ball club finished the season with an 8/9/0 record. Statistics show, however, that the "66" courtmen were the best shooting ball club in Minnechaug history. Outstanding players were John Shaughnessy (Capt.), Dick Dibble, Rod Tobias, Dave LaMontagne, and seniors John Danforth, Dan Sullivan, and Bill Willms. Dick Dibble's 40 points against Enfield set a league high for the season, as well as a school record for the number of points scored in one game.

The golf team, handicapped by the midseason loss of Jeff Brower, was able to win only two matches. But as the first two men, Brower and Stan Tenerowicz, are both returning, Coach Dewolf expects a fine season next year.

"Sounds of Silence"

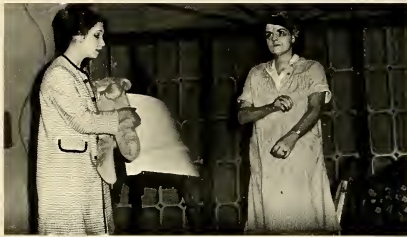

WHAT! Sue has mono?...Pants big enough Pam?...We're one short coach...SPLASH!! Oh well, the show must go on.

This year's synco show, "Sounds of Silence", was a big success and an all-out team effort. Twenty girls gave up every spare minute they had to rehearse for it.

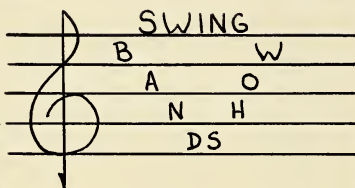

Many thanks to coaches Miss Cascio and Mrs. Denison for being so organized...and good-bye to seniors Cindy, Coree and Anne... SPLASH!!
